Please also note: **All grade nine students are to attend regularly scheduled classes after they write their exam, unless excused by parents/guardians.** This means all grade 9 teachers must be ready to receive these students after the recess break.

All exams are written from 9:22 am to 11:25 am with the exception of the NSEs.

Students are to remain in the examination room until 11:25am unless they have a note from their parents/guardians to excuse them early. If students are excused early, they are to leave the school once they have finished their exam.

NEW this year: Any students needing to write exams outside of the scheduled block for any reason are required to contact DRHS administration immediately. Special provisions will only be made in extenuating circumstances.
